AMENDMENT

BY COURIER

The Commissioner of Patents
and Trademarks,
Washington, D.C. 20231,
U.S.A.

Dear Sir:

In response to the Office Action of April 13, 1999, please amend this
application in the following manner:

In the Claims:

Amend claims 1 and 22 as follows:

1. (Amended) An immunogenic composition for conferring protection in a host
against disease caused by *Haemophilus influenzae*, comprising:

at least two different antigens of *Haemophilus influenzae*, at least one of
which antigens is an adhesin and the other of which antigen is not an adhesin.

22. (Amended) The composition of claim 6 wherein said at least one additional
antigenic component is selected from the group consisting of diphtheria toxoid,
tetanus toxoid, pertussis antigens, non-virulent poliovirus and a conjugate of a
tetanus or diphtheria toxoid and a capsular polysaccharide of *Haemophilus*
influenzae [PRP-T].
